# State Budget Update 2022-23

#### 2022-23 State Budget Agreement:

On May 13, Governor Newsom released his May Revise for the 2022-23 fiscal year, which projects a \$49.2 billion surplus for the upcoming fiscal year. The proposed budget maintains the state's recent commitment to paying down liabilities, replenishing reserves, and increased spending primarily for one-time initiatives. Although the May Revise is not the final version of the final draft, it is a much more accurate depiction of the 22-23 fiscal budget before the Enacted Budget is finalized before July 1.

For California Community Colleges, the Governor's May Revise increases funding for one-time and ongoing programs and initiatives from \$841.4 million to \$1.3 billion (\$.5 billion increase) and includes one-time investments such as student financial assistance, work-based learning, mental health, and student retention and (re)enrollment. A large portion one-time funding is concentrated in supporting retention and enrollment strategies (\$150 million). Additionally, with regard to new policy adjustments, the May Revise includes \$750 million in discretionary block grants to address pandemic issues. With regard to Deferred Maintenance, another component of one-time funding, the new proposed budget increases from \$511 million to \$1.523 billion.

#### **Ongoing Policy Adjustments**

- <u>COLA (Unrestricted General Fund)</u> \$493 million for a 6.56% COLA from ongoing apportionment.
- Funding for SCFF
  - \$26.2 million for SCFF Growth.
  - \$125 million to increase SCFF Allocation
  - \$250 million to increase SCFF Base Funding Increase
- <u>COLA (Restricted Funds)</u> \$21.8 million for a 6.56% COLA for the EOPS, DSPS,
   CalWORKs and the Campus Childcare programs. *Approximately \$240k for SBCC*.
- <u>SEA Program & Strong Workforce</u> Proposed budget provides for a 5% increase to Student Equity and Achievement Program; no increase to funding for Strong Workforce.

#### **One-Time Policy Adjustments**

- <u>Deferred Maintenance and Instructional Equipment</u> Proposed budget provides for a more substantial amount of funding in FY22-23 vs FY21-22. However, the legislature is still working on the final amount. The current budget assumes a conservative estimate of \$9.5 million.
- CCC Discretionary Block Grant- Proposed budget is \$750 million. *Approximately* \$8.3 million for SBCC.
